

Cyprus Investor Immigration: Meet the Team

Investor Immigration Services

Since 2010, we have been the fastest growing professional services provider in Cyprus. We are acknowledged as the leading corporate and investor immigration firm, as a result of having one of the strongest technical teams on the island, adopting a service-minded approach unseen among our competitors, and being the most cost-efficient Tier-1 provider in Cyprus.

Savva & Associates Ltd is one of the few Cyprus Securities and Exchange Commission, (CySEC) licensed fiduciary and corporate services providers, engaged in the fields of taxation, corporate administration, investor immigration services, accounting and financial reporting, investment fund licensing, administration and international trusts.

S. Evangelides & Partners LLC is a licensed Law Firm offering a full range of legal services with a particular focus on private client services, investor immigration, property law, investment management, corporate, commercial, intellectual property and trusts law matters.

Since 2013, when Cyprus materially revised its Citizenship by Investment programme, S&A has established itself as the leading investor immigration services provider on the Island.

Together with our team of tax experts, Cyprus qualified lawyers and other professionals, we act as Trusted Advisors, serving the immigration, legal, tax structuring, and wealth planning needs of HNWLs and their families.
